Position Statement

For emerging and growth-stage brands that want more than just visibility, ROOT & REACH is a community-driven digital marketing agency that turns passive audiences into engaged brand communities. Unlike traditional agencies that focus on impressions and short-term metrics, we design strategy-led campaigns, interactive content, and digital spaces that foster authentic connection and long-term brand loyalty. ROOT & REACH represents a community-first marketing agency, and we believe sustainable brand growth comes from building authentic community connections before expanding.

Strengths

- Brand equity
- Experienced marketing manager
- Loyal customers

Weaknesses

- Priced above competitors
- Low-traffic location

Opportunities

- Nightlife in Isla Vista
- Extending hours on weekends
- Student promos & happy hour
- UCSB community partnerships

Threats

- Noise ordinance
- Local competitors
- Catering to opposing demographic

Creative Strategy Statement

Key Consumer Benefit (KCB)

PRIMARY AUDIENCE

Benefit: Provide an enjoyable student friendly space, convenient and affordable pizza option that fits naturally into student life, whether for study breaks, game nights, or casual social gatherings with friends.

SECONDARY AUDIENCE

Benefit: Offer another great space for people and their friends to come to enjoy a late night hang out where they can also indulge in high energy social events.

PROMOTIONAL MIX

To support Rusty's pursuit of creating concrete connections with the UCSB student community ROOT & REACH could:

- Social media graphics advertising the delivery deal linked with digital flyers shared through student group chats and campus pages
- App or website banner promoting the limited-time offer

To engage with the secondary audience of students ROOT & REACH could:

- Have local bands promote their performance and times
- Push social media posts and promotional flyers

Creative Strategy Statement

Here at ROOT & REACH our creative strategy is centered around aligning Rusty's Pizza in positions to gain strong engagement with communities in their areas such as UCSB Students and residents living in the Isla Vista area. This campaign emphasizes the benefits of having a convenient local place where students can gather for eventful nights, study breaks, game nights, and casual hangouts over good food.
